

Applications: Election Security Grant

Profile

dstevens@cochise.az.gov

1. Application/Project Title

Election Security Grant

2. Org Name

Cochise County Recorder

3. Program/Project Congressional District (check all that apply)

All districts

4. Program/Project Legislative District (check all that apply)

All districts

5. Scope of Work

test ballot paper in tabulation systems with specific security features, including watermarks or unique ballot identifiers, or both. The security features shall be used to authenticate the ballot as an official ballot, but may not make the ballot identifiable to a particular elector. The testing shall allow for different sized ballots. Not later than May 1, 2023, the department shall compile a report from the selected counties on recommended ballot security features and submit the report to the president of the senate, speaker of the house of representatives and secretary of state.

6. Project Timeline

Oct 1, 2022 to May 1, 2023.

7. Collaborative Elements and Partners

Will seek out the availability of companies with the abilities to produce the paper, print the ballots, and tabulate the ballots.

8. Sustainability Plan

The final report will include the sustainability of the vendors to produce their product

9. Evaluation Plan

at the end of test there is a requirement for an analysis report to be created

10. Project Goals and Objectives

specific security features, including watermarks or unique ballot identifiers, or both. The security features shall be used to authenticate the ballot as an official ballot, but may not make the ballot identifiable to a particular elector. The testing shall allow for different sized ballots.

11. Program Specific Criteria #1

Paper production Security measures

12. Program Specific Criteria #2

Ballot Printing Security measures

13. Program Specific Criteria #3

Tabulation with as many tabulators as possible after security measures have been applied
